## WORTHY PARK - 2006/2018

After eight years of tropical maturation in the warm climate of Jamaica, we moved the casks of this lovely rum to cooler Europe to slow down influence from the oak and allow a slower and subtler evolution. The result is a wonderfully balanced rum: dry but juicy, fruity without being sweet or sugary. The intense notes of cinnamon, cloves, orange blossom and pepper are matched by the right amount of Jamaican “funk”, that impossible-to-describe estery character so loved by connoisseurs.
