## SAVANNA - 2008/2018

A warm and rich rum distilled from molasses, entirely aged on the island of Reunion. The sweetness of rasins, dates, dried plums and figs is compensated by a slightly astringent, winy and tannic note from the final finish in a sherry cask: it evolves on notes of cola, black pepper and a hint of earthy mustiness. Another very concentrated rum that fully showcases the benefits of aging in a tropical climate for the development of intense flavours.

NAT NAT 73	DISTILLERY Savanna	DISTILLED 2008	BOTTLED 2018
CASK N° 983	AGE 10	ALCOHOL 57,4%	OUTTURN 654
AGEING Tropical	CASK TYPE 2nd fill Cognac	ORIGIN Réunion	DISTILLED FROM Molasses
FINISH 1st fill Oloroso 24 months			

### TROPICAL AGEING

This rum has been fully matured at the distillery of origin, in a Tropical climate. The effect of the warm weather and humidity speeds the maturation process and the interaction with the oak of the cask: the result is a rum which is already perfectly mature and fully expressive at a relatively young age, and a very bold flavour profile which differs from that of rums which have been aged only for a period in the Tropics and then in Europe for the remaining maturation period.
