HAMPDEN - 1998/2016

Only for the brave, the most extreme Jamaican rum we have ever bottled! Spicy, hot, explosive: as usual with Hampden, it's a dry and clean distillate, with very little room for sweetness and oak. Cinnamon, huge tarry and salty notes, a lot of the strongest white pepper, and of course the classic Jamaican "funk" with its estery notes. Please add some water!

NAT NAT 56	DISTILLERY Hampden	DISTILLED 1998	BOTTLED 2016
